Welcome To Bowling Green

"A New Look" — that's the accent for the 1977 football season and understandably so.

With a new coach, a new staff, new uniforms, new option-style offense and a new hard-hitting defense, the label fits exceptionally well. Newness also comes in the form of a first time meeting between BGSU and a Big Eight Conference school: Iowa State.

The only question remaining is performance, and on that note we are optimistic.

Much of the success of the 1977 season will hinge on the well established talents and leadership skills of several returning veterans. Another pivotal factor will be the extent to which the hopes for the current outstanding freshman class will be realized. Seven recruits played in this year's Ohio North-South All-Star game.

An MAC championship could be in the offing. The "who's number one" issue may well be settled on Per-

ry Field in encounters with pre-season conference favorite, Western Michigan, and those always troublesome arch-rivals, Toledo and Miami.

While the promise of good football and the exciting Falcon Marching Band are the principal attractions for you today, I hope our visitors will also move freely about our campus absorbing its beauty and learning more about its many features, academic as well as cultural. There's a never ending array of outstanding theatre and music events, lectures, seminars, and exhibits. I would encourage a visit to our special-purpose facilities, particularly the Library and the Educational Memorabilia Center — the Little Red Schoolhouse.

Our University is once again at full capacity enrollment. Each year brings curriculum changes, new degree programs and fresh approaches to teaching. Further, the "new look" extends well beyond the confines of Perry Field. The face of the campus is in the process of undergoing some dramatic changes with the construction of the Musical Arts Classroom Building and Performance Hall and the Recreation Center, which will include aquatic facilities, a large multi-purpose area, and specialized areas for more individualized recreation ranging from archery to racquetball to squash. Sterling Farm (where both are located) will look like a farm no longer.

Ours is a campus which we hope you will visit and enjoy often.

Last-Minute Heroics Key BG-UT Rivalry

By Tony Pulgine

"You can throw the record book out the window for this one," is a cliché which has become synonymous with college football rivalries.

Thus, it's tradition to throw out that record book when Bowling Green and Toledo meet each year for the bragging rights of northwestern Ohio.

Recently, those two teams have also been throwing out the first 59 minutes of the game as last-minute wins have become the rule rather than the exception. This flair for the dramatic, coupled with the elements of controversy and hard-hitting action, have made this Mid-American Conference (MAC) game one of the hottest rivalries in all of college football.

It all started back in 1919 when Bowling Green scheduled its first intercollegiate football game against Toledo. The 6-0 Toledo victory came 58 years ago. Heading into today's 42nd meeting, Bowling Green has scored 22 wins to 15 for the Rockets. There have been four ties.

Five one-point victories and a two-point decision are also on the books since 1949. That two-point affair is a BG highlight. Falcon fans still have visions of Jim Goings snaring a Jerry Ward pass for a touchdown in the final minute of play for a 22-20 BG victory in 1963.

In what many call the most exciting MAC game ever played, the Rockets defeated BG, 27-26, in 1969. The Rockets were undefeated and in the process of fashioning one of the longest with streaks in college football history. Toledo jumped out to a seemingly insurmountable 17-0 lead at halftime. The Falcons fought back valiantly to grab the lead, 20-17, with 8:56 left on the clock. All-everything quarterback Chuck Ealey led the Rockets to another score and a 24-20 lead with less than five minutes left.

After holding UT deep in its own territory, the Falcons received a punt at the Rocket 30-yard line with just over a minute left. A pass interference call put the ball on the UT seven. BG quarterback Vern Wireman promptly deposited a TD pass into the arms of Steve Lanning. BG led, 26-24, with just 49 seconds left.

The Rockets returned the ensuing kick-off to their own 32. Ealey quickly picked up a first down at the Rocket 48. A pass interference call against the Falcons gave UT the ball on the BG 28-yard line. After a seven-yard completion which put the ball on the 20, Ken Crots came on to try a field goal. With only two seconds left on the clock, and a stiff wind blowing in on him, Crots lofted a perfect kick to give UT the win.

The Falcons staged their own production of last-minute thievery in last year's 29-28 victory. The Rockets led 21-6 with a minute left in the third quarter. Jeff Groth returned a punt 55-yards for a touchdown. Less than a minute later, fullback Steve Holovacs burst up the middle 47-yards for a TD, cutting the Rockets' lead to 21-20. After a fumble recovery, Robin Yocum kicked a 35-yard field goal to put BG in front, 23-21. The Rockets refused to give up and scored on a well-engineered 75-yard drive for a 28-23 lead.

With less than a minute left and standout quarterback Mark Miller leading the way, the Falcons weren't dead. A quick nine-yard pass to Dave Preston put the ball on the UT 43. Jeff Groth made a spectacular grab of a Miller pass to put the ball on the Rocket six-yard line. Miller hit Willie Matthews for the final six yards and the victory.

The field of play is not the only place where excitement has been generated. In 1971, 26,860 wildly enthusiastic fans packed Doyt Perry Field, hoping to see the Falcons knock off a Rocket team which was working for a third consecutive undefeated season. As if that wasn't enough incentive, an article appeared in *The Toledo Blade* the day before the game, stating that "psychological warfare" was being used by the Falcons. Specifically, it stated that BG's All-MAC tailback Paul Miles had contacted Rockets John Saunders and Mel Long and informed them that he would "run over them." Miles insisted that the story was a fabrication, but nonetheless, the fuel for the fire was there.

Toledo won the game, 24-7. Despite the somewhat one-sided score, it was one

of the most physical and intense games in the history of the series.

Another controversy, which took place in 1935, led to the halting of athletic competition between the two schools. The Rockets, who were beginning to build a strong football program, came to town and trounced the Falcons, 63-0. After the game, charges and counter-charges were made, specifically dealing with the sportsmanship of each team.

Immediately after this encounter, Dr. H.B. Williams, Bowling Green's president, announced that all athletic relations between the two schools would be severed. The schools did not meet again until the 1947-48 basketball season. The resumption of the football rivalry took place in the fall of 1948.

Throughout the rivalry, both teams have reached milestones. One of the most amazing marks set during the rivalry concerns former BG head coach Doyt Perry. During his ten-year reign, 1955-1964, Perry was the winningest coach in the nation with a 77-11-5 mark. Included in that record were 10 consecutive victories over the Rockets without a loss. After Perry's retirement, his successor, Bob Gibson, led the Falcons to two more consecutive wins over UT to help build an amazing 12-game win streak.

The Rockets were not idle either, compiling a 35-game win streak (1969-1971) and three consecutive MAC and Tangerine Bowl championships.

It's now time for another BG-UT tilt. The Falcons have a new coach in Denny Stolz. This year's BG slogan is "A New Look." But when these two teams take the field today, it'll be the same old look—a high emotional, intense, and exciting football game.

Coach Denny Stolz

By TONY PULGINE

Former Big Ten Coach-Of-The-Year Denny Stolz is the man at the controls of this year's Falcon football team.

Stolz, 43, becomes the 12th head coach in Bowling Green football history after a three-year head coaching career at Michigan State University.

As the head man at MSU, Stolz compiled a 19-13-1 record. During that period, it was the only winning record produced by Big Ten coaches other than Woody Hayes or Bo Schembechler.

Stolz, a graduate of Alma College, started his rebuilding program at Michigan State with a 5-6 record in 1973, and a 4-4 conference mark, which put the Spartans in a four-way tie for fourth place.

In 1974, he directed the Spartans to their best record since 1966 by compiling a 7-3-1 record and a 6-1-1 conference mark for a third-place finish. Only a tie with Illinois kept the Spartans out of the championship picture.

For his efforts, Stolz was named Big Ten Coach-Of-The-Year. The highlight of the season was the 16-13 win over the Ohio State Buckeyes, who were ranked No. 1 in the nation at the time.

The 1975 season found the Spartans compiling a 7-4 record and a 4-4 Big Ten mark, for another third-place finish.

His success in the coaching ranks brought him a post-season all-star coaching assignment in January of 1976. He directed the North team to a win in the All-American Bowl played in Tampa.

Stolz began his career with the Spartans as an assistant football coach and defensive coordinator under Duffy Daugherty in 1971. In two seasons, his defensive units ranked second and third in the Big Ten in total defense.

Prior to joining the Spartan staff, Stolz was the head coach at Alma College from 1965-1970. Taking over a team that had won but three games in four years, Stolz molded Alma into a Michigan Intercollegiate Athletic Association (MIAA) power. During his six-year tenure at Alma, his teams captured three MIAA championships and compiled an 18-game winning streak with two consecutive undefeated seasons in 1967 and 1968.

A native of Lansing, Mich., Stolz started his head coaching career at Haslett High School, where he had an eight-year record of 40-13-3 from 1955-1963. He was the defensive coordinator at Lansing Eastern High School in 1964.

He earned a bachelor's degree from Alma in 1955, and a master's degree from Michigan State in 1960. He and his wife, Cena, are the parents of a son, Doak, 17, and daughters, Dawn, 16, and Denise, 9.

BOWLING GREEN'S 1977 COACHING STAFF: First row, l-r, Denny Stolz, head coach; Charlie Butler, assistant to the head coach and offensive line; Mike Rasmussen, offensive coordinator and offensive backs, and Steve Beckholt, defensive coordinator and linebackers. Second row, Russ Jacques, defensive backs; Pete Riesen, defensive ends; Charley Baggett, assistant offensive backs; Gary Pinkel, receivers, and Jim Taubert, defensive line.

The Coaching Staff

CHARLEY BAGGETT, 1975 Michigan State co-captain, will assist the offensive staff with the backfield and work with the development of the younger players on the team. He holds the MSU career total offense record of 4,041 yards set during 1973-75 seasons. The 1975 MSU graduate won All-Big Ten quarterback honors and was State's most valuable player in 1974.

CHARLIE BUTLER was Stolz's offensive line coach at Michigan State from 1973-75 and will have the same duties at BG. The 1961 graduate of Middle Tennessee will also serve as assistant to the head coach. An offensive guard and linebacker in college, Butler has also coached at Middle Tennessee (1966-71) and Colorado State (1972).

STEVE BECKHOLT was defensive coordinator at Albion (Mich.) College last year when team went 9-0 and led NCAA Division III teams in total defense and scoring defense. The 1971 Michigan State graduate will coach defensive ends and linebackers and serve as defensive coordinator. He was a two-year letterman at linebacker for Western Michigan before transferring to MSU.

RUSS JACQUES starts his third year on the BG staff as defensive secondary coach. His defensive backs ranked eighth in the nation in 1975. The 1967 Bowling Green graduate won five letters in baseball and football. Joined staff after one year as head coach at North Royalton High School.

GARY PINKEL will coach the tight ends and receivers after serving for two years on the coaching staff at Washington State. The 1975 Kent State graduate won all-conference honors at tight end in 1972 and 1973 while gaining All-America honorable mention. He twice led Kent in receiving and was a captain of the 1973 team.

MIKE RASMUSSEN will coach the offensive backs and serve as BG's offensive coordinator. He joins the staff after serving for two years at the University of Hawaii as offensive coordinator. A 1972 graduate of Michigan State, Rasmussen was the quarterback for the Spartans in 1970 and 1971.

PETE RIESEN starts his second year at BG and will coach the defensive ends. He also is BG's head wrestling coach. Riesen was head football and wrestling coach at Heidelberg College before coming to BG. His Heidelberg football teams were 30-17 and the undefeated 1972 team won the NCAA Division III national championship. As a head football coach, the 1951 Wittenberg graduate has a record of 118-49-3.

JIM TAUBERT was co-captain and an all-conference first team defensive tackle on the 1974 Michigan State team which upset undefeated Ohio State and finished third in the Big Ten. The 1974 MSU graduate was named the team's outstanding senior. He will coach the defensive tackles and middle guards. He was assistant football and wrestling coach at Reading (Pa.) High School in 1976.

Meet The Veterans On The Defensive Line

89 BOB FISHER, DE, 6-1, 198, 19, So., Salem

Starts fall as second team defensive end ... Starting JV player who dressed for all varsity home games last year ... Biology major ... BG Scholar Athlete ... Born 6-6-58 ... Son of Mr. and Mrs. John Fisher.

42 JOE GUYER, DE, 6-2, 198, 20, Jr., Fremont (St. Joseph's)

Involved in the team's major position switch this spring as he moved from tailback/fullback to defensive end ... Came along well enough to rate No. 1 after spring practice ... Logged 157 yards in 1975 to letter as both a tailback and fullback ... Also was No. 2 punter and emergency place-kicker from triple-threat high school days ... He has a key role to play in 1977 ... Business education major ... Born 1-10-57 ... Son of Edward and Mary Lou Guyer ... Class A (AP) Back-Of-The-Year for coach Rick Wonderly ... Holds St. Joseph's career rushing record with 3,019 yards ... Captain of state runner-up football team ... Ran for 1,929 yards as senior ... Coach's Comment: "He has shown good speed at his new position and already plays the option as well as most defensive ends. He's a hard worker and we're counting on him."

94 ED HOLMES, MG, 6-1, 214, 19, Jr., Inwood, N.Y. (Lawrence)

A walk-on who showed enough promise this spring to rate the second team middle guard spot ... Started off last year as a defensive end and tackle ... Has good quickness for his size ... HPE major ... Born 10-3-57 ... Son of Mrs. Patricia Holmes ... All-conference honors as defensive end and captain for coach Pete Cimeno ... Considered Syracuse ... Wants to be sporting goods representative ... Coach's Comment: "Has shown a great deal of quickness and the knack of knowing where the football is."

50 JIM MITOLO, MG, 5-10, 197, 20, Jr., Warren (John F. Kennedy)

Moves into possible starting role after lettering behind BG's outstanding defensive lineman Dave Brown last season ... Started two games last year when Brown was sidelined ... Ninth in tackles (77) and tied for first with nine tackles for losses ... Lacks size but has good quickness ... Industrial labor relations major ... BG Scholar-Athlete ... Born 3-6-57 ... Son of Rocky and Marian Mitolo ... UPI Class AA Line-man-Of-The-Year as prep ... First team All-Ohio (AP & UPI) for coach Gene Nara ... Captain and MVP ... Considered West Point ... Coach's Comment: "Jim had a good spring. He's got good strength and the ability to flow to the football."

77 ALEX PROSAK, DT, 6-4, 242, 21, Sr., Lorain (Catholic)

Tri-captain, three-year letterman, two-year starter, second team all-conference, are just some of his credentials ... Candidate for post-season honors ... May be one of the finest defensive linemen in BG history ... Had 31 tackles as freshman playing second team ... Ranked 13th in conference with 121 tackles as sophomore and was sixth in tackles for loss (14 for 66) ... Ranked 18th in MAC as junior with identical 121 tackles (second on team) ... Has been nominated five times for conference defensive player-of-the-week honors ... Has 273 career tackles and 22 tackles for losses totaling 87 yards ... Business education major ... BG Scholar-Athlete ... Born 2-18-56 ... Son of Aloysius and Dorothy Prosak ... Four relatives have attended BG ... First team All-Ohio (AP) Class AA defensive tackle for coach Tim Rose ... Won Lombardi Award as best defensive lineman in Lorain County ... Football captain ... Also MVP on basketball team as junior ... Heavily recruited by Big Ten schools ... Holds school basketball record of 29 rebounds ... Coach's Comment: "An outstanding assignment football player. He reads his keys as well as anyone I've seen."

86 JEFF POLHEMUS, DT, 5-11, 240, 21, Sr., Solon

Lettered in 1976 as second teamer ... Doubles as two-year letterman and heavyweight wrestler ... Has 14-11 record on the mats at BG ... Foods and nutrition major ... Born 2-1-56 ... Son of Richard and Shirley Polhemus ... Father was three-sport performer at Lafayette College ... All-conference tackle for coach Arch Tunnell ... Third in the state heavyweight wrestling competition ... Also threw the shot 58 feet as prep.

90 TIM ROSS, DE, 6-4, 203, 18, Fr., Toledo (Woodward)

A walk-on who was the surprise of spring practice ... Will be playing first year this fall after winter enrollment ... Starts fall as second team defensive end ... Art and communications major ... Born 12-27-58 ... Son of Hugh and Sarah Ross ... Cousin Joe Roberts is assistant coach for NBA Golden State ... All-city honors for coach Sylvester Smith on city championship team as linebacker and tight end ... Also excellent trackman in 440 and 220 ... Coach's Comment: "He's the best athlete we've got at defensive end. He has great speed. With time, he could be a truly fine football player."

47 STEVE SEIBERT, DE, 6-2, 196, 22, Jr., Willard

Saw enough action last year to letter at defensive end after starting year as linebacker ... Ranked No. 1 during spring practice ... Nominee for MAC Defensive Player-Of-The-Week honors with 10 tackles, two sacks and fumble recovery vs. Southern Illinois ... Had 21 tackles for season ... Transferred to BG from Capital University ... Biology major ... BG scholar-athlete ... Born 1-30-55 ... Son of Kenneth and Betty Seibert ... All-Northern Ohio League first team defensive honors for coach Bill Biggers ... Co-captain ... Eight letters in football, basketball and track ... Wants to be accepted into Mayo Clinic after attaining degree in physical therapy ... Coach's Comment: "Steve was very consistent this spring while continuing switch from linebacker. He has shown good techniques and is an intense player."

66 MARTY SEKERES, DT, 5-11, 225, 19, So., Sandusky

A walk-on who made the varsity team this spring as a second team defensive tackle ... Major undecided ... Born 2-12-58 ... Son of Mr. and Mrs. Martin Sekeres ... Coach's Comment: "He's one of the strongest men on the team and can bench press 400 pounds."

91 MARK SHAFFER, DT, 6-4, 234, 20, Jr., Columbus (Whetstone)

In the fight for second team spot this fall after back-up duty in 1975 ... HPE major ... BG scholar-athlete ... Son of Paul and Jerry Shaffer ... All-Ohio and all-district honors as tackle for coach Ray Bellasari ... Captain ... Had 96 per cent efficiency rating vs. Miffilin.

75 JACK WILLIAMS, DT, 6-5, 244, 20, Sr., Cleveland (Lutheran East)

An excellent athlete who will be starting his second year as a regular defensive tackle ... Pro scouts are watching him because of quickness ... Candidate for post-season honors ... Fourth in tackling last year with 113 hits ... Tied for leadership with nine tackles for losses ... BG nominee for MAC Player-Of-The-Week honors for Central Michigan game ... Started career as defensive end, then went to offensive guard, then found home at defensive tackle ... Selling and sales major ... BG Scholar-Athlete ... Born 2-14-57 ... Son of Jack and Zula Williams ... Senior athlete-of-the-year for coach Clifton Walton ... Two-time East Suburban Conference selection ... Was a 100-yard dash man on the track team ... Center on 20-2 basketball team ... Competed in state track meet ... Coach's Comment: "An excellent athlete, Jack is the fastest defensive lineman we have. With a fine year, he could be a pro prospect. He's just a fine all-around natural athlete."

Today's Game — Once Over Lightly

If there is such a person as an honest, unbiased, neutral observer with the ability to assess the relative strengths of the Bowling Green and Toledo football teams, it might just be Eastern Michigan head coach Ed Chlebek.

After all, Chlebek's Hurons rattled off wins against both teams by almost identical scores. EMU bopped the Falcons, 16-6, three weeks ago and took the measure of Toledo, 17-7, last Saturday.

But you can always expect the unexpected whenever these two rivals meet for the annual Northwest Ohio Collegiate Football Championship.

Such was the case last year when Toledo took an 0-4 record into the game and then preceded to take a 14-0 lead in the first quarter and a 28-23 lead into the final minute of play. But the Rocket victory was not to be as Falcon quarterback Mark Miller hit Jeff Groth with a 37-yard pass followed by a six-yard TD toss to Willie Matthews with just 19 seconds showing on the clock for a 29-28 BG victory.

There have been other great moments in the series and some of them are reviewed in today's program on page 5. For the record, Bowling Green has won 22 games, Toledo has 15 victories and both teams have claimed victory in four tie-game situations.

Toledo is still looking for its first win this season under new coach Chuck Stobart. The Rockets are 0-4 on the year and 0-2 in MAC play. Bowling Green is 2-2 for the season and 1-1 in the MAC under new coach Denny Stolz.

— — —

The Mid-American Conference race is going to be a close one with only Kent State (2-0) and Miami (0-0) still without a defeat in league play. This week's league games find Central Michigan (2-1) at Northern Illinois (0-2), Ohio (0-2) at Eastern Michigan (3-1), Kent State (2-0) at Western Michigan (1-1) and Toledo (0-2) at BG (1-1).

— — —

Villanova, a strong Eastern football team that has beaten three other MAC teams in the last four years, has been added to the Falcons' 1978 football schedule as an away opening game on Sept. 9. Athletic director Dick Young has also recently received signed contracts with Arizona, Brigham Young (home-and-home), Oregon State, Texas Christian and Rice as future football opponents. Other "Big Games" already on the books include Iowa State (1979), Kentucky (1979 & 1985), Michigan State (1981), Baylor (1981), Washington (1986) and North Carolina (1982).

— — —

Bowling Green's next home opponent will be the red-hot Miami Redskins (3-1) who have dumped Indiana of the Big Ten and Yale of the Ivy League in their

last two starts. Miami will be the Homecoming test on Oct. 22. The Falcons have only beaten Miami nine times in 34 previous meetings. The Redskins feature quarterback Larry Fortner who leads the league in total offense this season.

CAN-AM COMBO CLICKS: The United States and Canadian good neighbor policy got a shot in the arm in the Bowling Green backfield with the big-back running combination of Canadian freshman John Park, 220-pound tailback from Sarnia, Ont., and U.S. senior Dan Saleet, 217-pound fullback from Lakewood. With Park starting his first game, the duo pounded the Western Michigan middle for 142 yards.

RECORD NOTES: With 1,755 yards fullback Dan Saleet ranks fourth in BG career rushing behind such conference greats as Dave Preston, Paul Miles and Fred Durig. Durig's career total of 2,564 yards was the conference record until Miles (3,239) and Preston (3,423) came along.

MILLER KEEPS HIGH ACCURACY: Through four games, quarterback Mark Miller has completed 59 per cent of his passes for one of the best marks in the nation . . . Miller leads the MAC in passing per game and was ranked 15th nationally last week.

UNDERSTUDY IS OVER EXCELLING: Miller's back-up quarterback, Mike Wright is making the most of his chances this season . . . While carrying the ball on option plays the last two weeks, Wright has picked up 88 yards in six carries for a 14.6 rushing average and scored touchdowns on runs of 41 and 22 yards.

The Third Generation Monte Carlo. A new dimension in affordable luxury.

With immense pride, we present a trim and timely new edition of Chevrolet's personal luxury car: The Third Generation Monte Carlo.

Although thoroughly redesigned, today's Monte Carlo retains the unique personality of Monte Carlos past.

You see it dramatically reflected in the stately stance and sculptured sides.

The new interior is a virtual "Driver's Suite"

—with sumptuous cloths and carpets, tall windows, an impressive new instrument panel, and special Monte Carlo "touches" throughout.

Available enhancements include a new roof with removable tinted-glass panels.

The Third Generation Monte Carlo.

Drive it soon.

We think you'll be impressed.

BGSU Researchers Vital To Educational Process

By CLIFTON BOUTELLE
Director, University News Service

The more we learn, the more we want to know, and at Bowling Green State University, research is a vital part of education.

Last year the University received \$2.6 million from outside sources for research and development. More than half of that amount came from federal sources.

Because faculty in nearly every academic department are involved in research ranging from energy to the study of how television affects children, the following is only a brief overview of research activities on campus.

- The Environmental Studies Center, headed by Dr. William B. Jackson, is studying the environmental impact of the Davis-Besse Nuclear Power Station near Port Clinton; conducting studies associated with the development of rodenticides for use in controlling rats which are immune to common poisons, and testing rats from a number of U.S. cities to learn if rodents found in these metropolitan areas are resistant to certain rodenticides, among other projects.

- Biologist Dr. Reginald D. Noble is investigating how sulfur dioxide affects food production in the leaves of trees and plants. The study is the first of its kind.

- Chemist Dr. Douglas C. Neck-

Biologist Dr. Garret T. Heberlein is concerned with molecular biology and cancer research. His work involves inducing tumors into healthy plants to determine how bacteria irreversibly convert normal cells to tumor cells.

ers is conducting a two-year project aimed at developing a photochemical breakdown process for large-molecule materials, such as polystyrene. If successful, the process could help solve energy and waste disposal problems.

- Dr. Kenneth Kiple of the history department is conducting research in South America and the Caribbean to try to confirm, from a historical perspective, his theory that blacks have different nutritional needs than whites. If the theory is correct, his findings could be used to plan diets to combat nutritional ailments and provide valuable support data for other research on black-related ailments.

- Biologist Dr. Garret T. Heber-

lein is concerned with molecular biology and cancer research. His studies involve inducing tumors into healthy plants in an effort to determine the mechanisms by which bacteria and viruses irreversibly convert normal plant cells to tumor cells.

- Sociologists Drs. Arthur G. Neal and H. Theodore Groat are studying how recently married couples plan families as part of their ongoing study of sociological factors affecting human fertility.

- Fulbright Fellow Dr. George G. Seifert, an associate professor of education, is spending the year in Sri Lanka where he will help develop testing and evaluation procedures for use in that country's school system.

- Dr. John P. Scott, Regents' professor of psychology, is continuing his search for an animal that can be effectively used as a model for research on hyperactivity and aggression in children. Under his direction, the University's Canine Research Center is testing dogs to learn more about genotypic differences in hyperactivity and responses to the stimulant d-amphetamine sulfate.

- Sociologists Drs. Peggy C. Gior-dano and Stephen A. Cernokovich are conducting a two-year study to find the causes of female juvenile delinquency which is rising at an alarming rate.

- Dr. Harry W. Hoemann, a psychologist who is continuing his study of how deaf and hearing children learn communication skills, is developing a training program to teach deaf children how to communicate better in formal situations.

Biologist Dr. Reginald D. Noble is studying how sulfur dioxide affects food production in the leaves of trees and plants.

Letterman Day Features Special Letter Awards

A Toledo stockbroker and the athletic director at Chagrin Falls High School will be presented with special awards by the Bowling Green State University athletic department today.

Receiving the Bowling Green Honorary Letterman Award for 1977 will be Edward P. "Ted" Wolfram Jr., an executive officer and partner of Bell & Beckwith and a 13-year charter member of The Falcon Club.

Earning the special Silver Letter Award will be Ralph Quesinberry, a 1946 Bowling Green graduate, who has been an outstanding coach and athletic administrator at Chagrin Falls for 31 years.

The Honorary Letterman Award is presented on Letterman Day by the athletic department and Lettermen's Club in recognition of the service and contributions an individual has made to the intercollegiate athletic program in a non-competitive capacity.

The Silver Letter Award is presented by the Falcon Club and the athletic department to a former Falcon letter winner who has achieved 25 or more years of success as a distinguished citizen and supporter of intercollegiate athletics.

A 1953 graduate of Bowling Green, Wolfram has been a major contribu-

tor to the athletic program for the last decade. "Ted is right at the top when it comes to helping our athletic program. He's a great booster and fan that every athletic department in the country would like to have on its team," said athletic director Dick Young.

A resident of Grand Rapids, Wolfram has also been active in the University's Alumni Association, serving on the Investment Committee and BGSU Foundation Board.

Although he and his wife, Zula, and their two sons and two daughters are very much involved with Falcon athletics, they are also excited about harness racing at this time. Their two-year-old filly, Christmas Eve, recently was timed within 3/5 second of a world's record while winning a special race at the Little Brown Jug in Delaware.

Quesinberry won three varsity letters in football (1940-42) as a center. He was captain of the 1942 team that finished with a 6-2-1 record.

His 31 years in the Chagrin Falls school system have gained him national recognition as an athletic administrator. He was head football coach for 16 years and won several Chagrin Valley Conference titles while coaching two undefeated teams and compiling an 86-24-12 record.

Quesinberry has received numerous honors during his 15-year tenure as athletic director. In 1971 he was named the National High School Athletic Director of the Year by the American Association of Health, Physical Education and Recreation.

He is currently vice president of the Ohio High School Athletic Directors Association and will become president in November. He was president in 1972-74 of the Northeast Ohio Athletic Directors Association and also a member of the state board of athletic directors. In 1976 he was voted into the Ohio High School Athletic Directors Hall of Fame.

He and his wife, Marjorie, are the parents of two sons and a daughter who have attended the University.

Standing are Jones, graduate assistant Chris Newman, Tony Ortiz, Scott Martin, Hal Hilmer, Jim Ruehl, George Woodring, Steve Souder and Miller.

Spirit And Tradition

Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

The University Of Toledo

The University

By WILLIAM SPRINGER

A member of the state university system of Ohio since July of 1967, The University of Toledo observed its 100th anniversary in 1972 as one of the nation's major urban universities.

The University had its origin in 1872 with the gift of 160 acres of farmland donated by Jesup Scott, a progressive Toledoan who felt that the city should have a university to train young people for responsible positions in the growing community. Today the original land endowment is the site of the University's Scott Park campus, home of the University Community and Technical College.

In its early years the University held classes in various temporary locations. As reflected in its first name—Toledo University of Arts and Trades—courses were initially concentrated in architecture, painting and manual training.

The first academic expansion came in 1904 when the University became affiliated with the Toledo Medical College and established a college of pharmacy. Affiliation with the Toledo YMCA College of Law followed in 1909. Other colleges—education, commerce and industrial science — were formed in the next decade.

The University's greatest period of growth dates from 1928 when Toledoans voted a bond issue for the development of a modern new campus and construction of the first two buildings—University Hall and the Field House. Occupied in 1931, the original campus has since been expanded to more than 200 acres with 30 major collegiate structures. Situated in one of Toledo's finest residential sections, the campus provides a suburban atmosphere, yet is an integral part of the civic, cultural and commercial life of the metropolitan area.

In keeping pace with an expanding enrollment which now exceeds 17,000 students, the campus has undergone extensive expansion and improvement in recent years. Most recent additions are Centennial Hall, a multipurpose activities center which seats 9,000 for sports events, concerts and commencement exercises, and the Center for Performing Arts, which houses the University's theater and music departments. Under construction and scheduled for completion in 1978 is a Continuing Education Center, located on West Bancroft Street opposite the main campus.

Hockey, Hoop Squads Have High Hopes

Ron Hammye

By TONY PULGINE

"Close, but no cigar!"

That time-worn phrase just about sums up the entire 1976-77 basketball season as the Falcons dropped nine games by a total of 26 points. A point here, instead of there, and the Falcons could have easily turned their 9-18 mark around.

In an effort to bring BG basketball back to its winning ways, coach John Weinert has brought in several new faces, including four transfers, and four of the top high school players in the northwest Ohio area.

Joining the squad after gaining experience elsewhere are junior forwards Art Cook (6-7, Westark (Ark.) Community College), Mitch Kopystynsky (6-6, Western Kentucky), George Marshall (6-5, Indian Hills (Ia.) Community College), and guard Duane Gray (6-1, St. Joseph's of Indiana).

In addition, Weinert will welcome freshman recruits John Flowers (Sylvania Southview), Joe Faine (Cory-Rawson), Emzer Shurelds (Lima Senior), and Ken Pothast (Ottawa-Glandorf).

Faine, who averaged 30.3 points per game, and Pothast, who carried a 24.0 average, could provide the scoring punch that was ever-present when departed senior Tommy Harris was in the lineup.

Harris, who averaged 23.1 points per game for the Falcons last year, was an eighth-round draft pick of the Boston Celtics.

Flowers and Shurelds, who averaged 16.6 and 15.5 rebounds per contest, should add some muscle on the boards.

The top returnee from last year's squad will be 6-10 senior center Ron Hammye, who was 12th in the MAC in scoring (13.5), ninth in rebounding (8.3), and third in field goal percentage (.533). Currently, he is ranked 16th on the BG career scoring list with 833 points.

The backcourt will be experienced, with the return of sophomore point guards Dan Shumaker (7.9) and Rosie Barnes (6.7). Shumaker set a season record with 147 assists.

Also returning will be 6-11 center Mike Huebner. The sophomore pivotman should be much improved with a year of varsity experience under his belt.

With 20 lettermen returning from a team that finished fifth in the NCAA Hockey Championships a year ago, the 1977-78 Falcons should be headed for another highly successful season.

Success and hockey have become synonymous at Bowling Green, mainly because of the four consecutive 20-win seasons that coach Ron Mason and his skaters have put together since 1973. During that period, the Falcons have been ranked as high as third in the national polls while receiving an NCAA bid (1977) and winning both a CCHA playoff championship (1977) and regular season title (1976).

Gone are both members of the nation's most powerful goaltending team, Mike Liut and Al Sarachman, as well as solid right-winger Jack Laine.

Liut, now a member of the Cincinnati Stingers, and Sarachman alternated as the Falcon netminders for four consecutive years. However, freshman recruits Brian Stankiewicz of the Richmond Hill Rams, and Wally Charko of the Royal York Royals should prove to be adequate replacements.

Lack of a scoring punch is a problem that won't beset the Falcons this year. Eleven players who scored 25 points or more last year are among the returnees.

Heading the list are All-CCHA first team forwards Mark Wells (23-37-60) and John Markell (26-32-58), who shared league scoring honors.

One of the nation's top penalty-killing units will return in the form of Byron Shutt (14-27-41) and Dave Easton (16-26-42).

The Falcon defense, which permitted only 113 goals in 39 games, returns intact. Heading the crew are two-time CCHA selections Ken Morrow and John Mavity along with Tom Thomas, a two-time choice as BG's outstanding defenseman. Last year's "Rookie-Of-The-Year," Mike Cotter, rounds out the crew.

Coming back from missing part or all of last season are Mike Hartman, the leading scorer in both 1975 and 1976, and center Tom Newton.

Although last year's success may be hard to duplicate, BG hockey fans can rest assured that there will be many exciting moments at the Ice Arena this coming season.

FALCON CLUB SPRING MEMBERSHIP DRIVE NETS \$118,684

The drive began with an April 29 kickoff luncheon, attended by 122 workers.

Bowling Green State University's Falcon Club is on the move in support of Falcon athletics! The club kicked off its 14th year of operation in May with a first-ever spring membership drive. Thanks to the efforts of nearly 200 drive workers, the drive produced a record-shattering 1,197 members and \$118,684 in cash gifts. Falcon Club funds support BGSU's athletic scholarship, recruiting and team travel programs.

The club's financial goal for the year is \$175,000, and it's not too late to join! Members receive a variety of benefits, and all gifts are tax deductible. For a free and postpaid membership brochure, call or write The Falcon Club, Stadium Ticket Office, BGSU, Bowling Green, Ohio 43403, (419) 372-2401. Do it today!

The Falcon Plaza Motel billboard kept a running total of membership drive results.

Membership drive workers John Weinert and John Kretschmar (left to right) display gag T-shirts at kickoff luncheon.

Joe McGee, Bob Beers and six other auto dealers contributed cars and showroom support.

Falcon Athletes Enjoyed Continued Success In 1976-77

Solidly connected by its "Roots" to a winning tradition and dedicated to excellence in performance, participation and public service, Bowling Green State University's intercollegiate athletic program continued its growth pattern during the 1976-77 academic year.

Like the ever-growing family tree, the athletic department branched out even more last year. The program doubled in size when 12 women's sports were merged with the men's 13-sport program.

The merger produced a 25-sport intercollegiate program for varsity teams which is the largest, total-sports program in the Mid-American Conference and one of the largest in the Midwest and the national major-college ranks.

Through the efforts and approval of President Hollis Moore, vice president for public services James Hof and athletic director Richard Young, the department implemented a reorganizational plan which attracted national attention for its unique organizational structure.

The department now includes three main divisions: (1) the 22-sport non-revenue area, (2) the three-sport revenue unit for football, men's basketball and hockey and (3) the administrative support staff unit.

From a performance and participation standpoint, the results were rewarding as more than 1,000 student-athletes combined their talents to win 55 per cent of their 669 contests. It was the 21st consecutive year that the school's sports programs have had a winning record of better than 50 per cent.

From a fiscal standpoint, the \$1.4 million budget is divided with the administrative and non-revenue areas primarily funded by the general fees paid by students. The revenue-sports division is funded by gate receipts and income from concessions, parking, guarantees, etc. Additional monies to help pay athletic grants-in-aid and recruiting expenditures are raised from private contributions made to The Falcon Club.

In addition to administration of the intercollegiate program, the athletic department is directly involved with both the educational and public service areas of the University.

The department supervises the University's 18-hole golf course, the Ice Arena and all of the athletic fields and facilities at the University. Through contact with club teams and an extensive intramural program, the department helped provide services to more than 16,000 participants last year.

Between 75 and 100 other athletic events sponsored by community, state and national organizations were also incorporated into the total public service program with BG's modern facilities being used for a variety of events and high school tournaments.

The athletic program also embraces the departments of health and physical education and physical education and recreation with service courses open to all students.

Following is a brief look at the recent history and current status of Bowling Green's 25 varsity teams:

BASEBALL — During Don Purvis' six-year coaching operation, the Falcons have averaged 28 wins a season, reaching a high in 1977 with a 36-18 record. The 1972 team won the MAC championship and ranked 13th in the nation. Playing in one of the best baseball conferences in the nation, catcher Larry Owen was a second-team All-America selection in 1977.

BASKETBALL — The dynamic John Weinert enters his second year of coaching as BG shoots for its fifth, first-division finish in the league in the last six years. The rich basketball tradition includes six NIT appearances, five NCAA tournaments, and four MAC titles. The last two NCAA champions, Marquette and Indiana, appear on the 1977-78 schedule. The women's team has finished second three times and fourth twice in six Ohio state championships.

CROSS COUNTRY — Another undefeated season and runner-up in the conference meet in 1976 kept the men's team rated among the best in the Midwest. BG has 19 winning seasons in 21 years and four, top-10 finishes nationally since 1969. The women's team placed 21st in its first try at the national championship.

FENCING — The women's team gained recognition as one of the best in the Midwest this past year with a 10-5 record. The men's team will improve as it faces its second year of varsity competition.

FIELD HOCKEY — A winning tradition should help the women's team become a winner again after a couple of hard-luck years.

FOOTBALL — Former Michigan State head coach Denny Stolz takes over the coaching duties and will be looking for the team's 22nd winning season in the last 23 years. That winning tradition places Bowling Green among the top 25 winningest teams in major-college football. An appearance in the nation's top 20 (19th) in 1973 and "big-game" victories over Purdue, Syracuse (twice) and Brigham Young highlight the 70's. Future games are booked with Iowa State, Hawaii, Kentucky, Michigan State, North Carolina, Washington and Baylor.

GOLF — Eleven tournament championships in the last six years and consistent "top five" finishes gives the men's team one of the best records in the Midwest. Success in the 70's includes two MAC titles and two "Top 30" finishes in the NCAA in 1972 and 1973, a MAC runner-up trophy in 1977, and the thrill of competition on the University's own 18-hole golf course. The women's team recently placed third in the Midwest (1975) and won the state championship in 1974.

GYMNASTICS — One of the fastest-rising BG programs from the standpoint of spectator interest and competitive skill, the women's team placed second in the last three state championships and was eighth in the Midwest meet last year.

HOCKEY — The Falcons placed fifth in the NCAA championships last year and won the CCHA playoff championship. Coach Ron Mason's team was ranked in the top-10 nationally for the third straight year. Averaging 20 wins a season in the last six years has attracted capacity crowds to one of the best ice arenas in the nation.

LACROSSE — In the last four years, the men's team has a 39-6 record which ranks as one of the best in the nation. Three Midwest championships and a 104-29 record in 12 years of varsity play are on the books. The powerful women's team claimed the 1975 Midwest crown and are 22-7-2 for the last two years.

SOCCER — In four of the last five years, Bowling Green has been rated one of the four best teams in Ohio. NCAA tournament appearances in 1972 and 1973 highlight the 1970's.

SWIMMING — The women's team owns four consecutive state championships and has finished among the top 35 teams at the national meet in two of the last four years. The men's team continues to shatter school records while preparing to move into a new Olympic-sized swimming pool in two years. A record five straight MAC titles (1956 to 1960) highlights the winning tradition.

SYNCHRONIZED SWIMMING — For more than two decades, the program has been regarded as one of the best in the nation.

TENNIS — The women's team placed second in the state and ninth in the Midwest in 1977 and boasts a 23-5 record in the last three years. The men's squad captured its third, first-division finish in the conference in the last four years.

TRACK — The men's team continued to attract national attention as the two-mile relay team placed second at the Drake and Kansas Relays in 1977. Highlights in the 70's include Dave Wottle's Olympic gold medal, Sid Sink's American record in the steeplechase, and second place in the 1972 NCAA indoor championships. The excellent women's team won its second straight Ohio championship and the first Mid-American Invitational.

VOLLEYBALL — The women's team rates among the best in the state and placed fifth in the 1976 state championships.

WRESTLING — With 21 non-losing seasons in the last 23 years, the Falcons have won three MAC team titles and produced 15 individual champions in the last two decades.

Getaway for a glorious weekend!

Leave the kids at Grandma's for the weekend. Splash in our pool. Bask in our sauna. Or stretch out in bed, grab the remote control to your color TV and don't get up for anything.

Just a few steps down the hall is one of the best restaurants in town. With candlelight and dancing and entertainment. And for late-night hunger attacks, our coffee house and even room service stay open 24 hours.

You can stop the world and unwind until 3:00 the next afternoon. But why stop there? Indulge yourselves. Stretch it into a whole weekend.
